📍 C/O Madame Sacuto
34 avenue de Villiers
75017 Paris, France

With over 5 years of experience in QA and localisation, I am now currently looking for a permanent contract or a six-month-internship in web development.

Work experience

From May 2017 to Mar. 2018

Localisation Manager
Quantic Dream Paris, France

• Preparing all audio and video assets of the game for localisation while ensuring the highest quality
• Working closely with the publisher to deliver game content
• Keeping track of localised assets and communicating with providers

From Oct. 2016 to Mar. 2017

Localisation Asset Coordinator Sony Interactive Entertainment Liverpool, United Kingdom

• Planning, scheduling and coordinating the localisation of different PlayStation titles and ensuring the highest quality
• Assisting the Senior Project Manager on game assets
• Selecting and tracking vendors while balancing quality and budget

From Nov. 2012 to May 2017

French Localisation Tester Sony Interactive Entertainment Liverpool, United Kingdom

• Testing software once localised text has been implemented
• Reporting linguistic and QA bugs via JIRA & DevTrack
• Proofreading and providing translations
